

THE HO TRACK STARTER KIT

Made in the U.S.A.

The #88 HO Starter Set is a *snap* for beginners to assemble. Contains enough Snap-Track® and components to assemble a 40" x 56" layout on which you can operate a train set of your choice. Easily expandable, your Snap-Track® layout will provide years of pleasure. Complete assembly instructions provided.

*Power Pack, locos and trains not included.

Available in brown or black track with nickel silver ties. Price is \$25.95.

Each kit includes:

- Enough track for a 40" x 56" layout:
 - 9" Straight Section (1 pc.)
 - Full Section 18" Radius (16 pcs.)
 - Third Section 18" Radius (2 pcs.)
 - Rerailer (1 pc.)
 - Manual Snap Switch - Left (1 pc.)
 - Manual Snap Switch - Right (1 pc.)
 - Terminal Joiners (1 pair)

To order your HO Starter Set, on the order form enter item #88 for a kit with black track and nickel silver rail, or #9088 for a kit with brown track and nickel silver rail. Please add appropriate postage & handling charges from chart below order section.

It's yours...just for the asking!
