

# ATLAS N MASTER™ & TRAINMAN® LOCOMOTIVES

N may be a small scale, but Atlas makes sure that our models pack a lot of details and running power into each locomotive. Our models are realistic recreations of the prototype that will serve you well on your layout for many years to come. Whatever your era, Atlas has a model to fill the empty spots in the roster of your fleet. Pick one up and become an Atlas "N"-thusiast today!
