# ORDERING INFORMATION & TERMS

January 2017

Dear Model Railroader,

Welcome to the January 2017 Atlas ASMC consumer edition of product Announcements and Arrivals. Each individual All Scales Monthly Catalog (ASMC) is based on the bi-annual All Scales Catalog (ASC) that is released in January and July of each year.

The All Scales Catalog (ASC) provides an overview of Atlas planned product announcements and arrivals for the following six months. The All Scales Monthly Catalog (ASMC) focuses in on each month's planned and specified announcements and allows consumers to place guaranteed pre-orders with their local hobby shop for those specific products by a given date. If you need assistance finding a dealer near you, don't forget our Hobby Store Locator! Check out the locator at <http://shop.atlasrr.com/storeLocator.aspx>.

Both catalogs are widely distributed and shared with thousands of dedicated Atlas consumer fans in accordance with their scale preference. This distribution is accomplished through targeted electronic messaging as well as via handouts at shows throughout the year. You can ensure that you receive the latest Atlas news and offers, in your preferred scale(s), delivered directly to your email inbox by visiting [www.atlasrr.com](http://www.atlasrr.com) and signing up for our email newsletter – the Atlas Insider.

January's edition of the ASMC is filled with exciting news for HO, N and O modelers. A few of the highlights are the HO & N scale 64' Trinity Reefer (new to Atlas, former BLMA tooling), and USRA Steel Rebuilt Box Cars in every scale. You'll find all of those wonderful models and more inside, as well as arriving freight cars, locomotives and track in all scales.

Happy Reading & Happy New Year!

Joe Kolnoski  
Vice President of Sales
