You certainly want "Action" in your train layout... and Bachmann offers you more "Action" than anyone else!

Here's a terrific selection of super "Action Packets" Operating Accessories you'll be proud to own and proud to show off in your layout. And, many of them are available only from Bachmann. So... be sure to add them to your train layout today!

1420 "SANDY DANCER" OPERATING HAND CAR

Watch the steel pump-up and down as the car speeds on its way. Electric Motor Operated.

1422 ELECTRONIC ACTION DEPOT

Pick up with freight cars and set train opposite the station. Returns automatically after train leaves.

1426 ELECTRONIC STEAM WHISTLE AND NIGHTSIDE MAREHOUSE

Realistic steam sound, with Push-Button Control. Mathematically timed whistle blowing. Works from power pack.

1442 OPERATING WATERFALL AND TUNNEL

Now your scenery can include an actual working waterfall! Real water is pumped thru the mountains, down the falls & up again. Pump, tubing, lake & tunnel included.

HO SCALE OPERATING ACCESSORIES

2014 LIGHTED FREIGHT STATION

Build an illuminated "base" to any layout with this illuminated station. Building pre-assembled.

2015 LIGHTED PASSENGER STATION

Keep your setup running at night. This little beauty lets you catch the 10:10 to NYC. Building pre-assembled.

2013 DEER CROSSING GATE WITH FLASHING LIGHTS AND BELL

Approaching train starts the action! Color event, and warning lights flash and bell rings. Truck included.

2015 THE DIESEL HOORN AND OIL STORAGE TANK

You can add the realism of Diesel Horns to any layout with the Shell Oil storage tank. Works from Power Pack. Push-button control included.

2015 THE TALKING STATION

The first one's just used in operating accessories. Here's another! Built from base! This electronic "talking" station comes with its own microphone. The Talking Station gives any railroad a chance to call for new goods... from Amtrak to Amtrak to Casper! Works from Power Pack. Truck not included.

2015 OIL STORAGE TANK WITH FLASHING LIGHT

Highly detailed Oil Storage Tank with flashing overall with its own flashing light.

ALL BACHMANN LOCOMOTIVES HAVE A LIFETIME LIMITED WARRANTY

Bachmann Bros., Inc. will remedy any defect or malfunction occurring in the locomotive within the lifetime of the purchaser. This warranty does not extend to defects or malfunctions which are caused by damage (not resulting from the defect or malfunction) while the locomotive is in the possession of any consumer, or by unreasonable use (including failure to provide proper lubrication) while the locomotive is in the possession of any consumer.

This warranty is given in lieu of all other express warranties. All implied warranties, including but not limited to implied warranties of fitness and merchantability, shall expire one year from the date of purchase. Some states do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you.

Under no circumstances shall Bachmann Bros., Inc. be responsible for any incidental or consequential damages arising in regard to any Bachmann Bros., Inc. locomotive. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

In order to validate this warranty, the Owner Registration Card enclosed in your seal must be completed and mailed within ten (10) days after purchase of the locomotive to Bachmann Bros., Inc., 1400 East Erie Avenue, Philadelphia, Pa. 19124.

If warranty service is required within one year from the date of purchase, please send the locomotive, postage prepaid, to Bachmann Bros., Inc., 1400 East Erie Avenue, Philadelphia, Pa. 19124. Also, please write a letter explaining the nature of your difficulty and enclose it with the locomotive.

If warranty service is required after more than one year from the date of purchase, please send the locomotive, postage prepaid, with a check or money order (\$3.00 for diesel locomotives or \$5.00 for steam locomotives) to cover return postage and handling, to Bachmann Bros., Inc., 1400 East Erie Avenue, Philadelphia, Pa. 19124. Also, please write a letter explaining the nature of your difficulty and enclose it with the locomotive.

At the option of Bachmann Bros., Inc., the locomotive will be either repaired or replaced, except that if both repair and replacement are not practicable, then a refund of the purchase price will be made.

This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

In the event you have any questions concerning use and care of the locomotive or any complaints concerning service, please write: Bachmann Bros., Inc., 1400 East Erie Avenue, Philadelphia, Pa. 19124.

PLEASE NOTE: BREAKAGE FROM DROPPING OR MISUSE IS NOT COVERED BY THIS WARRANTY.
