TOP OF THE RANGE MAGNUM LAYOUT DESCRIPTIONS

CAT. No. 9709 This is the Magnum Layout TABLE Frame (60" x 30" x 33" high). Designed to be both strong and sturdy, it is quick and easy to assemble and dismantle requiring neither nails nor screws. (See Main Brochure). The 33 inch height clearance allows easy access for Disabled Modellers in conventional wheelchairs.

CAT. No. 9730 This Top of the Range Magnum Layout measuring 5ft x 2ft 6in. (illustrated in the Main Brochure) comes complete with colour printed Layout Plan (9702) mounted on its sturdy baseboard together with matching background scenery! Fully fitted with PECO SETRACK and STREAMLINE, all the track and points are laid and the wiring installed at the Factory. This elaborate Magnum Layout is then despatched CARRIAGE FREE (UK ONLY) by GRAFAR LIMITED, direct to the Customer's Home. It couldn't be easier!

CAT. No. 9732 This is a truly GIANT Building Pack containing ALL of the Buildings, Building Kits and Trees needed to complete the superb Magnum Layout as illustrated in the Main Brochure. The Patented SCENECRAFT Building Kits are designed to be both easy to build and fun to make - and they look good too! Despatched CARRIAGE FREE (UK ONLY) direct to the Customer's Home.

IMPORTANT NOTE: Magnum Layouts DO NOT INCLUDE Locomotives, Rolling Stock or POWERBOX 300 Controllers in any of the CAT. Nos. 9709, 9730, 9732, since these are entirely to the Customer's separate choice from the very large GRAHAM FARISH range available. ASK TO SEE THEM AT YOUR LOCAL DEALER.

MAGNUM LAYOUT DELIVERIES

Depending on the time of the year and demand, you should normally allow a MINIMUM of Three Weeks, and a MAXIMUM of Eight Weeks for Delivery of Magnum Layouts from Date of Confirmed Order. To avoid disappointment, please order in plenty of time - especially for Birthdays, any Social Occasions, Retirement Day Presentations and particularly Christmas presents.

PLEASE ALWAYS CHECK WITH OUR FACTORY FIRST, FOR CURRENT DELIVERY DATES. THANK YOU.

***0997 MAIN CATALOGUE PRINTING ERROR NOTES**

A) The illustration shows the withdrawn Executive Livery version (Cat. No. 8126) of the HST 125, which is no longer available. The correct illustration should be of the Blue/Yellow Livery version.
 B) Motor Chassis 1809 is incorrect, and duplicates 1409. 1809 is not, therefore illustrated.
 We apologise for these errors in assembling the Catalogue pictures.
 This will be corrected by the Printers as soon as it is possible to do so.
