Start Small...

It's easy to create custom industries with Cornerstone Modulares! A basic building can be completed in just a few hours and will look great in any older industrial area.

...or Think Big

Cornerstone Modulares buildings can be as long, wide or tall as space allows. And with multiple stories, a unique shape and a custom design, the finished model will be an eye-catching addition to your layout.

3-In-1 Set includes parts to build one of these three versions:

Basic Rectangle...

Small One- and Two-story...

or Expanded "L"
