ON THE COVER

Dawn brings clear skies and the thunder of rolling wheels along the Santa Fe mainline as a hot intermodal train races eastward. Delivering high-tech, high horsepower and high speed, the GP60 was a favorite for fast schedules, and many are still going strong 30 years later! Add these groundbreaking locos to your roster in minutes with the latest WalthersProto releases with a new electronics package to power front ditch lights and a working rotary beacon as appropriate. Read more inside on page 16.

Passenger Service Behind the Scenes

Anxious eyes watch the clock. Out in the coach yards, an Army of workers completes a long list of jobs... steaks for the diner, clean linens in the sleepers, paper cups for the washrooms, water tanks filled... as departure time draws closer every minute. From fast streamliner to popular coach train, expanding service on any HO layout is easy with the all-new WaltherMainline passenger cars. Fully assembled, engineered to handle 18" radius curves with ease, nicely detailed and finished in 10 different schemes, they look great on layouts big or small. Arriving soon, stop by walthers.com and go to the video page to see them in action.

A Note on Availability

At Walthers, we strive to provide you with the widest variety of product possible. In order to achieve this goal, we maintain significant inventory on site. Despite our best efforts to have every item you could possibly need in house at all times, it is not realistically possible to do so. For your convenience, we do our best to promote items that are in stock and to clearly label other items—those that are new and available for Advance Reservations or items that are low in stock and have Limited Quantities Available when the Flyer goes to press. At times, we experience a quick sell out on a particular item or unexpected demand for an item that we believed to have sufficient stock in house. In many cases, items can be back ordered for future delivery. In other cases, we are unable to secure more of a particular item. For the most up to date availability information, we encourage you to check walthers.com, email us at custserv@walthers.com or call our Customer Service Team at 1-800-4-TRAINS. The 'Find It' feature on our website will help you find a Dealer in your area that may still have stock available for the item you desire.

Please know that we appreciate your support of both Walthers and your Local Hobby Shop. We are committed to making this Flyer a valuable part of your model railroading.
