GO TEAM GO!

In front yards... at local schools... in college towns... in city stadiums... it's time to kick off football season. Getting thousands of fans to and from a big game each weekend can be a real challenge, but railroads have been tackling it for years with special excursion trains. Riding the company's own cars, borrowed Amtrak equipment, or aboard restored private cars, getting there really is half the fun for these lucky fans.

A fun way to expand operations with passenger service, charter trains, fan trips and special moves are easy to model in HO scale with your favorite motive power and WalthersMainline® passenger cars.

A Note on Availability

At Walthers, we strive to provide you with the widest variety of product possible. In order to achieve this goal, we maintain significant inventory on site. Despite our best efforts to have every item you could possibly need in house at all times, it is not realistically possible to do so. For your convenience, we do our best to promote items that are in stock and to clearly label other items—those that are new and available for Advance Reservations or items that are low in stock and have Limited Quantities Available when the Flyer goes to press. At times, we experience a quick sell out on a particular item or unexpected demand for an item that we believed to have sufficient stock in house. In many cases, items can be back ordered for future delivery. In other cases, we are unable to secure more of a particular item. For the most up to date availability information, we encourage you to check walthers.com, email us at custserv@walthers.com or call our Customer Service Team at 1-800-4-TRAINS.

Please know that we appreciate your support of both Walthers and your Local Hobby Shop. We are committed to making this Flyer a valuable part of your model railroading.
