#### ON THE COVER

It's beginning to look a lot like Christmas! Our hall table is overflowing with mail order catalogs, and dad promised he'll take us downtown Friday night to check out the new train layouts in the big store toy departments. Today though, we're busy helping set up the new decorations our model railroad club made for the Public Library (New HO Cornerstone Public Library, 933-3493, \$49.98 each).

From bustling stores to busy factories, public buildings and much more, you'll find a Cornerstone kit that will bring new life and realism to the communities along your railroad.

### A Note on Availability

At Walthers, we strive to provide you with the widest variety of product possible. In order to achieve this goal, we maintain significant inventory on site. Despite our best efforts to have every item you could possibly need in house at all times, it is not realistically possible to do so. For your convenience, we do our best to promote items that are in stock and to clearly label other items—those that are new and available for Advance Reservations or items that are low in stock and have Limited Quantities Available when the Flyer goes to press. At times, we experience a quick sell out on a particular item or unexpected demand for an item that we believed to have sufficient stock in house. In many cases, items can be back ordered for future delivery. In other cases, we are unable to secure more of a particular item. For the most up to date availability information, we encourage you to check [walthers.com](http://walthers.com), email us at [custserv@walthers.com](mailto:custserv@walthers.com) or call our Customer Service Team at 1-800-4-TRAINS.

Please know that we appreciate your support of both Walthers and your Local Hobby Shop. We are committed to making this Flyer a valuable part of your model railroading.
