EVERYTHING OLD IS NEW AGAIN

From sunrise to sunset, an endless parade of double-stacks and coal trains roar past. And while modelers and railfans often come here just to watch, today, well, today is a little different! The photo line started forming an hour ago. Eager ears listen for every word from their scanners as the Director's Special speeds its way west. A distant air horn and the waiting pays off as shutters snap, videos roll and the spotless E9Ms stride past. Perfect for summer fan trips or a fun addition to your collection, WaltherProto brings you everything you need to model the Union Pacific Heritage fleet in HO. including these great products.

A Note on Availability

At Walthers, we strive to provide you with the widest variety of product possible. In order to achieve this goal, we maintain significant inventory on site. Despite our best efforts to have every item you could possibly need in house at all times, it is not realistically possible to do so. For your convenience, we do our best to promote items that are in stock and to clearly label other items—those that are new and available for Advance Reservations or items that are low in stock and have Limited Quantities Available when the Flyer goes to press. At times, we experience a quick sell out on a particular item or unexpected demand for an item that we believed to have sufficient stock in house. In many cases, items can be back ordered for future delivery. In other cases, we are unable to secure more of a particular item. For the most up to date availability information, we encourage you to check walthers.com, email us at custserv@walthers.com or call our Customer Service Team at 1-800-4-TRAINS.

Please know that we appreciate your support of both Walthers and your Local Hobby Shop. We are committed to making this Flyer a valuable part of your model railroading.
