Introducing the new Santa Fe 1954 El Capitan

After an amazing Fred Harvey meal, there's no better place to relax and enjoy spectacular scenery aboard Santa Fe's *El Capitan* than a seat in the new Big Dome! Capturing the spirit of the 1954 *El Capitan*, our newest HO name train includes four new cars – six authentic models in all – that later served on other Santa Fe streamliners. New 300-Class F7s in full Warbonnet® colors will also be available for an authentic model from start to finish. TIME FOR SOME YARD WORK!

Robins and red wing black birds, warm westerly breezes, Braves baseball on the radio... all sure signs that spring has sprung in Milwaukee. While local homeowners might be able to off "yard work" until spring, that's never going to happen here on the railroad! Late afternoon finds a relief crew taking going on duty in the busy Menomonee Valley, and those long cuts of cars mean there's plenty of work waiting. Switching chores add to the fun of layouts big or small, and building a fleet of authentic HO equipment is easy with WalthersMainline®. Check out the complete selection of locos and cars at walthers.com/mainline.

Founder's Day Sale

In 1937 the first HO scale passenger cars were released under Walther's name. Those kits had cardboard sides and wood ends and floors. Today's fully assembled Walther'sProto® and Walther'sMainline® models are much different, featuring detailed plastic bodies, full interiors, tinted window "glass" and Proto MAX™ metal knuckle couplers.

Celebrate our Founder's Day with great savings on a variety of great Walther's passenger equipment.

A Note on Availability

At Walthers, we strive to provide you with the widest variety of product possible. In order to achieve this goal, we maintain significant inventory on site. Despite our best efforts to have every item you could possibly need in house at all times, it is not realistically possible to do so. For your convenience, we do our best to promote items that are in stock and to clearly label other items—those that are new and available for Advance Reservations or items that are low in stock and have Limited Quantities Available when the Flyer goes to press. At times, we experience a quick sell out on a particular item or unexpected demand for an item that we believed to have sufficient stock in house. In many cases, items can be back ordered for future delivery. In other cases, we are unable to secure more of a particular item. For the most up to date availability information, we encourage you to check walthers.com, email us at custserv@walthers.com or call our Customer Service Team at 1-800-4-TRAINS.

Please know that we appreciate your support of both Walthers and your Local Hobby Shop. We are committed to making this Flyer a valuable part of your model railroading.
