### ON THE COVER

Heat waves dance off the rails as morning melts into a blistering afternoon. Over on the ready track, a fireman finishes his preliminary walk-around of the burly SD9 leading today's run, spending a few minutes cleaning the headlight as departure time approaches. Perfect for heavy freights from the 1950s to the present, our new HO replicas in SP gray and red (920-41623 shown here) and Black Widow schemes, plus BN and DMIR are shipping now. Read more on page 9 inside.

# THE START OF SOMETHING BIG!

A year or so ago, this was just a weedy patch of land alongside the yards. But the explosive growth of new trailer-on-flatcar service has seen big changes come quickly. Business is booming this morning, as the first strings of flats have been spotted for unloading, while more cars and trailers wait impatiently one track over. From the early days of piggybacks to the latest double-stacks, intermodal traffic offers plenty of ways to build more excitement into your HO operations.

### A Note on Availability

At Walthers, we strive to provide you with the widest variety of product possible. In order to achieve this goal, we maintain significant inventory on site. Despite our best efforts to have every item you could possibly need in house at all times, it is not realistically possible to do so. For your convenience, we do our best to promote items that are in stock and to clearly label other items—those that are new and available for Advance Reservations or items that are low in stock and have Limited Quantities Available when the Flyer goes to press. At times, we experience a quick sell out on a particular item or unexpected demand for an item that we believed to have sufficient stock in house. In many cases, items can be back ordered for future delivery. In other cases, we are unable to secure more of a particular item. For the most up to date availability information, we encourage you to check [walthers.com](http://walthers.com), email us at [custserv@walthers.com](mailto:custserv@walthers.com) or call our Customer Service Team at 1-800-4-TRAINS.

Please know that we appreciate your support of both Walthers and your Local Hobby Shop. We are committed to making this Flyer a valuable part of your model railroading.
