# Dear Friends,

Like well-loved ornaments, this is the season when we fondly recall our holiday memories of trains big and small. Maybe you were at the platform when a shiny streamliner brought your grandparents for a Christmas celebration. We'd especially like to welcome those many folks making trains a part of your holiday traditions for the first time this year. We have all sorts of resources available to help you find everything from the perfect starter set for a decoration or a gift for a first-time railroader. Please take a few minutes to stop by our website and check out the Train Set Advisor at [walthers.com/train-set-advisor](http://walthers.com/train-set-advisor) and [walthers.com/getting-started](http://walthers.com/getting-started) for additional hobby help.

# Let it Snow! Let it Snow!

The first snowfall of the year has sure put everyone in the holiday spirit! Even the whistle of the way freight sounds bright and cheery in the frigid December air. Last night's storm was just enough to send everyone scrambling for their hats and mittens, as well as snow shovels and saucers. With chores done, smells of hot chocolate and fresh-cut pine will soon be drifting throughout the house. Grandpa has the tree stand up in the living room, and after supper, Dad and Uncle Frank will wrestle the big box of ornaments down from the attic once more.

Making holiday memories come to life is part of the magic of this special season, and model railroading too. Whether a seasonal layout for public display, or a diorama for your annual Christmas card photo, you'll find the perfect products here at Walthers.

#### A Note on Availability

At Walthers, we strive to provide you with the widest variety of product possible. In order to achieve this goal, we maintain significant inventory on site. Despite our best efforts to have every item you could possibly need in house at all times, it is not realistically possible to do so. For your convenience, we do our best to promote items that are in stock and to clearly label other items—those that are new and available for Advance Reservations or items that are low in stock and have Limited Quantities Available when the Flyer goes to press. At times, we experience a quick sell out on a particular item or unexpected demand for an item that we believed to have sufficient stock in house. In many cases, items can be back ordered for future delivery. In other cases, we are unable to secure more of a particular item. For the most up to date availability information, we encourage you to check [waltthers.com](http://waltthers.com), email us at [custserv@waltthers.com](mailto:custserv@waltthers.com) or call our Customer Service Team at 1-800-4-TRAINS.

Please know that we appreciate your support of both Walthers and your Local Hobby Shop. We are committed to making this Flyer a valuable part of your model railroading.
