ON THE COVER

After a busy day sightseeing or working in the nation's capitol, eager travelers are checking their tickets and finding their seats in the comfortable streamlined cars assigned to the Chesapeake & Ohio's *George Washington*. They'll soon have a superb view of the Appalachians and later enjoy a leisurely dinner served with impeccable style in the newly rebuilt dormitory-diner. When it's time to call it a day, the train's gentle rhythm will lull them to sleep in cozy coach seats or between the crisp sheets waiting in cool sleepers. With overnight service to and from Cincinnati, "George" as he was known to his legions of fans, provided connections to several major cities as well as world-famous resorts along the C&O. One of the hardest working trains on the railroad, the new *George Washington* will soon be rolling your way as the newest WaltherProto name train! For complete details turn to page 4 inside.

MORE POWER TO YOU!

Mainline to short line, wherever there's freight to be moved you'll find EMD GP35s on the job – and now you can include them in your own HO railroad with these all-new models from WalthersProto®. Based on units built from early 1965 to 1966 with some still going strong today, this marks the first time a correct Phase II model has ever been available in HO. Each features period production details including a straight frame and inertial filter hatch, plus railroad-specific air horns, radio antennas and more factory-applied details. Crisp paint and lettering highlight the detailed body, and under the hood you'll find our smooth, powerful drive for outstanding performance.

First series roadnames are now shipping see details on page 10, visit your participating dealer or go to walthers.com for complete details today!

Introducing the **WALTHERS PROTO**.

George Washington

For business or a relaxing get-away, there was no finer way to travel between Washington and Cincinnati than the Chesapeake & Ohio's *George Washington*. Known simply as the *George* to its many fans, the train's unique personality was reflected in everything from hardworking heavyweights up front carrying mail and baggage, to impeccable service inside the rebuilt Dormitory-Diner. Travel back to a time when getting there really was half the fun aboard our newest HO Scale name train, featuring seven cars and matching E8A diesels.

A Note on Availability

At Walthers, we strive to provide you with the widest variety of product possible. In order to achieve this goal, we maintain significant inventory on site. Despite our best efforts to have every item you could possibly need in house at all times, it is not realistically possible to do so. For your convenience, we do our best to promote items that are in stock and to clearly label other items—those that are new and available for Advance Reservations or items that are low in stock and have Limited Quantities Available when the Flyer goes to press. At times, we experience a quick sell out on a particular item or unexpected demand for an item that we believed to have sufficient stock in house. In many cases, items can be back ordered for future delivery. In other cases, we are unable to secure more of a particular item. For the most up to date availability information, we encourage you to check walthers.com, email us at custserv@walthers.com or call our Customer Service Team at 1-800-4-TRAINS.

Please know that we appreciate your support of both Walthers and your Local Hobby Shop. We are committed to making this Flyer a valuable part of your model railroading.
